## CHAPS UK Youngstock Evaluations

(Judges TBC )

*CHAPS UK Youngstock Evaluations are in-hand assessments open to CHAPS UK-registered horses and ponies aged up to three years, and require the owner to be a current CHAPS UK Showing Member. At these evaluations, youngstock are judged on conformation and movement at halt and walk/trot, and sometimes loose if the venue allows. There are two routes for assessment: Breeding Potential (for colts and fillies) and Potential Performance (for colts, fillies and geldings), and exhibitors choose which route to enter at each evaluation. Each animal may only enter one route per visit, and scores are recorded with First, Second and Third Premium awards based on a marking scale. The highest annual score for each animal counts towards sire/dam breeding and performance values and is recorded in their passport, and animals achieving a First Premium are invited to compete for the Youngstock Evaluations Supreme Championship at the CHAPS UK Championship Show.
