Competition Cards are £15 each and are available to pre-book via the on-line entry system or from the Show Office BEFORE your first relevant class.

Points can be accrued from all classes at the show **which are scheduled before 4.00pm on the last day of the current year's Show** - with the exception of any **FINALS** class(es).

At time of collecting your Card you must pre-select three classes from across the show - covering a minimum of 2 days' of competition; and you must also pre-select one of these as a "Joker" class - points from results in this class will automatically double towards your total. In the event of a tie the Joker will be removed and points re-totalled. If points still tie then the exhibit achieving most "higher placings" will be deemed the winner. If no clear winner is achieved via this system any relevant championship results from selected classes will be considered. If no clear winner is achieved via this route a tie will be declared for that placing.
